**Changing Habits for Beginners** Liam Thomas,2021-08-19 You have the power to change your mind and break bad habits You may be a night owl who wishes to be a morning person Or a junk food lover who fancies eating clean every day We all go through a burning desire to change our habits now and then But this seems to be such a daunting task This is precisely what many people go through when we wish to get rid of our bad habits and build good ones Initially we think it is an easy task Still as weeks go by we realize that our excitement and level of motivation start to decline As our lives are shaped by hundreds of small habits that we repeatedly exercise every day These habits become an essential part of our lives Therefore take control of your life by making personal changes and form habits that can lead you to become an effective person When you understand habits and how small changes in habits work you can accomplish much more in life In **Changing Habits for Beginners** you ll learn to change your mindset to cultivate good habits in life You ll discover Human psychology and how the mind works when it comes to cultivating new habits The 3 step loop to change your habits How small changes to habits can lead to success Build good habits by applying routines Habits of the brain and how to change them Break bad habits with a step by step guide And much more Perhaps you already know certain habits are holding you back from progressing in life or perhaps these habits control you and you are not aware of it In either case the aim is to change your life transform your mind and make a personal change If you want to control your life instead of habits controlling you then scroll up and click Add to Cart right now

**Habit Building** Felix Kennedy,2019-04-21 Do you want to be among the few that swear by the habit formation process after seeing it transform your life This book is meant for you 40 50% of all our daily actions or activities revolve around different habits that we have formed in our lifetime Indeed we are creatures of habit and this is perhaps why Durant aptly summed it up as follows We are what we repeatedly do Excellence then is not an act but a habit He was right because the things that make us who we truly are massively revolve around our habits So if you want to get ahead in life you MUST build habits that move you close to your goals and break those that move you away from your goals Let me ask you some 2 questions Would you want to break bad habits and build new good ones Would you want to remove the frustration that s associated with the habit formation process If you answered yes to any or both questions this book is written with you in mind
