[Mindfulness: Step by Step Guide to Mindful Meditation](#) Gary Owens, 2016-09-25. Mindfulness Meditation: Peace and Tranquility. You can't find happiness in your past. You can't find happiness in your future. You can find happiness in your present. There is life in the here and now, and it is real happiness. Through mindfulness, you can harness your energy within to be aware of the things that can make you happy. There is no need to wait for decades before you can feel happiness. You can be happy every day. Many of us are alive yet don't recognize this as a miracle. But if you focus on your breathing and you become mindful of every movement of your lungs, you are experiencing a miracle within. Some of us are forgetful because we are not truly present in the now. Our mind could be trapped in our anger, our regrets, our fears, and we might be failing to see what is being there. This is known as forgetfulness. Someone can be physically present but his mind is somewhere else. You might be trapped in the future or past. You're not living in the here and now. This is forgetfulness, which is on the other side of the spectrum of mindfulness. This book contains proven steps and strategies on how you can harness the power of mindfulness meditation to find your way to your happiness and tranquility within. Probably you have heard about meditation as a way to take a break, to be calm, or to think deeply. But there is so much more about meditation. Your inner transformation is just starting, and it will raise you to an elevated level of mindfulness. This will let you experience more happiness and fulfill your true potential as a human being.
