Rian is used to the enchantment that yanks him through time to rescue people just so long as he makes it home for his adopted son's holiday visits. When a new lady in waiting shows up at his boss's castle, Rian sees immediately that Maura is from another time. He's exhausted but he'll do what his armlet demands. First flirtation then danger then rescue. Check. But then his armlet doesn't force him into action and Maura keeps defying his expectations. As kind and sensible as she is pretty, she might see through his mask to the tired passionate man underneath. When Rian's boss, legendary Fionn McCool, drags Maura off on a dangerous cross-country trek, Rian has to decide if he's going to stick with Maura even though the armlet doesn't force him and even though this might be his last chance to see his son. Read now to journey to ancient Ireland with a warrior who has to decide if his heart is ready for love.
