**The Horn Book Guide to Children's and Young Adult Books** ,1996 *Jane Austen and the Victorian Heroine* Cheryl A.

Wilson,2017-09-05 This book uses the figure of the Victorian heroine as a lens through which to examine Jane Austen s presence in Victorian critical and popular writings Aimed at Victorianist readers and scholars the book focuses on the ways in which Austen was constructed in fiction criticism and biography over the course of the nineteenth century For the Victorians Austen became a kind of cultural shorthand representing a distant yet not too distant historical past that the Victorians both drew on and defined themselves against with regard to such topics as gender literature and national identity Austen influenced the development of the Victorian literary heroine and when cast as a heroine herself was deployed in debates about the responsibilities of the novelist and the ability of fiction to shape social and cultural norms Thus the study is as much if not more about the Victorians than it is about Jane Austen **New York Magazine** ,1994-11-07 New York magazine
