Quality in Early Childhood Education and Care through Leadership and Organizational Learning Line Skov Hansen, Charlotte Ringsmose, 2023-10-19 This

book provides insights in to how high quality learning environments in Early Childhood Education and Care ECEC develop and how competent systems can support this It builds on the knowledge that quality early environments shape the wellbeing and development of the child and explores how communities of professional practice that support quality development are built Acknowledging that the conditions for providing high quality pedagogical work depend not only on the individual teacher but also on collaboration and organizational and professional development The book draws on a range of theoretical frameworks and research that underline competent systems rather than individualized learning as a path to improve workforce quality and professionalization in the field of ECEC *Distributed Leadership* Neha Chatwani,2017-10-11

Addressing the area of shared leadership also known as collective or distributed leadership this edited book embraces the underlying idea that leadership is a dynamic process that intersects closely with followership While some authors present rigorously researched qualitative and quantitative case studies that investigate the dynamics of followership in distributive leadership in terms of collective decision making leadership identity roles and demographic composition of groups in a variety of settings other authors take a critical look at distributed leadership models by viewing them through the lens of nature and ecosystems as well as human development processes The chapters aim to inspire readers to challenge the current definition of leadership and explore more inclusive and holistic paradigms Distributed Leadership provides a comprehensive and constructive contribution to the field of leadership and will be an essential read for academics and scholar practitioners interested in business management *Distributed Leadership* Neha Chatwani,2018
