## **Divine Re Positioning:**

**Divine Re-positioning** Dr. D. K. Olukoya, 2014-01-13 Divine Re positioning The best position for you in life is that which God has ordained for you Due to the lack of spiritual foresight and invariably divine guidance a lot of people do not attain the height that God has made their portion The common thing being that they are either in the wrong place or and at the wrong time doing the wrong or right thing With this book when you do a good digestion of the first chapter you will be able to know what is required of you to align into the divine repositioning You are given the six areas of life that can be repositioned In chapter two you have the details on the five languages by which the repositioning directives can be received Once you have attained the divine position nobody can alter that as decreed in 1 Samuel 2 19 The Mystery of Water Cure Dr. D. K. Olukoya, 2014-10-14 One of the most abundant resources on earth is water and of all things God created water is one force that is capable of absorbing the power of God As God is interested in water so also is the enemy of our soul the devil This is so because he knows that little will be achieved on earth without water and that over seventy five percent of the human body is made up of water Hence the devil uses it to manipulate the life of man That is why everyone must be adequately informed about how to use the water of God to counter the attacks of the enemy The Book in your hand opens your eyes to the efficacy of water as a powerful tool of deliverance and healing in the hands of the Almighty God 101 Overcomers' Rhema Loaded with Daily Benefits Akintayo Emmanuel, 2024-12-20 From the garden of Eden where our Lord Jesus Christ called out to Adam and said Adam where art thou to the new Jerusalem city where the Spirit and the bride say Come the Lord Jesus Christ has been yearning to bring man back into union with His eternal life 101 Overcomers Rhema Loaded with Daily Benefits is not a daily devotion but God's Word spoken by the Spirit of God directly to the humble and meek reader especially those who are desperately hungry and thirsty for Jesus Eating this Word means you are becoming like Jesus the bread of life the divine flesh and blood known as the Word made flesh Those who eat this Word will receive the life of God Zoe in an abundant measure and become an overcomer that sits with Jesus Christ in His throne The wonderful tree of life that metamorphosized to trees of life only grows and bears its fruit by the banks of the river of life the Holy Spirit The tree of life the Word grows out of the river of life the Holy Spirit signifying that the life of the tree is derived from the life of the river of life All who would be trees of life must first access the river of life These kinds of people are God's overcomers a Joel's strong army a people with the nature and the more excellent ministry of Jesus Christ Hitherto cherubims with a flaming sword guarded the way to the tree of life at the garden of Eden to prevent man from entering the garden but now through the cross of Jesus Christ the cherubims have been removed the flaming sword has been sheathed the wall has been broken down the handwriting of ordinances that was against us has been taken out of the way the gates of the holy city have been swung wide open never to be closed again the pathway has been bathed in brilliant light and upon entering the city there is no longer a tree of life but trees of life a whole vast forest of them super abundant complete and perfect overcomers a Christlike people who will sit

alongside Jesus Christ on His throne reigning forever with him My family and I are eternally grateful to Jesus Christ to be a part of these overcomers As you are about to open the pages of this book rejoice in the Lord because you are also an overcomer alongside Jesus Christ     Breakthrough or Breakout Dr. D. MacGregor,2007-08-31 As the first systematic theology of its kind the ecumenical construction synthesizes the strengths of what are typically considered two disparate branches of Christianity namely Roman Catholicism and Anabaptism Focusing on the celebrated Jesuit neo Scholastic theologian Luis de Molina 1535 1600 and the evangelical peace communities from the early modern period onward this system integrates the best in Catholic philosophical theology with the best historical implementations of the Free Church ecclesiological tradition In doing so this progressive doctrinal edifice furnishes provocative new answers to perennial quandaries Included in this discussion are the polarity between sovereign predestination and libertarian freedom the interaction between omniscience and God s changing his mind and the existence of gratuitous evil This system breaks ground in the realm of practical theology by proposing an antithetical relationship between church discipline and the sacraments While avoiding the either or debate between egalitarianism and complementarianism this theology demonstrates exegetically that women should not be restricted from holding any leadership position within the church Drawing together these dialectical and Scriptural threads this book advocates a social ethic that exhorts Christians to display extreme reluctance on matters of war and to exercise discernment toward political agendas by measuring them against the Sermon on the Mount
