Garr, 2003-06-01 This book is about nothing less than Genesis 1 or human creation Humanity the author convincingly argues is created within the Priestly tradition as a replacement of God s divine community human creation marks the decisive

moment that P s God separates himself from other gods and institutes monotheism After discussing the references of God s self inclusive yet plural first person speech and examining the ramifications of this speech pattern in other biblical texts Randall Garr discusses the divine human relationship as it is represented by carefully analysing the prepositions and nouns that characterize it After highlighting some themes and theological concepts elaborated in Gen 1 it clearly situates the creation of humanity within the programmatic agenda of the Priestly tradition *Christ's Humanity and His Divinity the Same Thing* Cyrus Augustus Bartol,1856 **Divinity and Humanity** Henry Idonije,2015-04-19 Divinity and Humanity

**On the Divinity and Humanity of Christ** Christopher B. Brown,Martin Luther,2023-06 *In Quest for Divinity: The True Path of Humanity* By a Student,2009-04-20 This book proposes that humanity is going through a spiritual awakening that is driving it into a quest for self knowledge This quest will in time bring humanity to the gates of self realization and the inevitable acceptance that divinity is not only an outward manifestation but that it is innate and inherent and forms the core of being of each human life This quest is a profoundly personal one and as such it should challenge all preconceived notions and structured beliefs If you take your quest in earnest the simple narrative of these experiences will prove to be real gems along the way The author in writing this book brings to the surface in very simple terms a new understanding of Divinity that will hopefully move the concept from the halls of the theologians and esoterists to the avid minds of humanity where it is most needed *The Divinity of Humanity the Corner-stone of the Temple of the Future* ,1874 **Divinity and Humanity**
