Harmon, 2023-02-28 In a Western culture of increasing skepticism towards conservative Christianity what motivates intellectually driven atheists to believe in the reality of God and become passionate followers of Christ Review of social science literature confirms a predominant functional approach to religious conversion effectively reducing a complex substantive phenomenon to a partial functional explanation In response the chief focus of this book is to take a broader look at religious conversion to determine the precursors and pathways from atheistic disbelief to belief in God and Christianity within an educated population Findings are drawn from PhD based research evaluating a broad range of functional and substantive variables influencing religious conversion Data was collected through both survey and interview of fifty educated skeptical atheists in the contemporary West who once held belief God

and Christianity as implausible unattractive and irrelevant Yet they became utterly convinced that the Christian faith was true and good worth personal life commitment These former atheists not only experienced a change of their worldview but also a dramatic transformation of their whole world In depth narrative analysis revealed the integrated transformative nature of religious conversion in areas of sense making identity experience meaning and purpose community language and spirituality Overall this book advances the case for using an inclusive transformational perspective in future description conception and modeling for religious conversion of atheists to conservative forms of Christianity *Summary of Divine Disruption* SellWave Audio,2025-11-10 This powerful and deeply personal book invites you to walk through life s toughest moments with grace and a stronger faith Dr Tony Evans and his four adult children Chrystal Evans Hurst Priscilla Shirer Anthony Evans and Jonathan Evans share honest compassionate reflections on what it means to trust God when your world is falling apart Their voices blend into one conversation about hope pain and the unexpected turns that test everything you believe Every person knows what it feels like to be overwhelmed by loss or hardship Some seasons bring blows so constant you can barely breathe The Evans family understands this deeply Within two years they said goodbye to eight loved ones including their wife and mother Lois Evans Their grief was heavy their questions were real and their faith journey became more raw than ever before In Divine Disruption the family opens their hearts and reveals how they wrestled with confusion sorrow and moments that made them question everything Through their stories they offer biblical wisdom and practical encouragement for anyone facing heartbreak or unexpected change Their experiences show that suffering does not mean God has abandoned you and that faith can survive even the darkest days As you move through these pages you ll gain a clearer understanding of why painful things happen how to stay steady when life shakes you and what it means to hold on to peace when circumstances try to take it away The Evans family s transparency brings comfort reminding you that your questions frustrations and tears are welcome before God This honest and hope filled journey shows that even when life is disrupted it can become a place where your faith deepens and your relationship with God grows stronger The Evans family s story invites you to believe that your pain has purpose your struggle has meaning and peace is still possible **The**
