The Diversions of a Book-Lover (Classic Reprint) Adrian H. Joline, 2018-01-11 Excerpt from *The Diversions of a Book Lover* The putting of trifles into type is surely not altogether reprehensible considering the number of printed words produced every year But I am making no apologies They are usually odious If anybody dislikes this sort of thing he is welcome to say so and while I may not agree with him in his disapproval I will not argue the matter About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
