Divorce Him Marry Me Second Edition:

God, Marriage, and Family (Second Edition) Andreas J. Köstenberger, David W. Jones, 2010-05-05 The release of the landmark first edition of God Marriage and Family provided an integrated biblical treatment of God's purposes for the home. Since then explain authors Andreas Köstenberger and David Jones the crisis confronting modern households has only intensified and yet the solution remains the same: obedience to and application of God's Word. In the second edition of God Marriage and Family Köstenberger and Jones explore the latest controversies, cultural shifts and teachings within both the church and society and further apply Scripture's timeless principles to contemporary issues. This new edition includes an assessment of the family, integrated church movement, discussion of recent debates on corporal punishment, singleness, homosexuality and divorce, and remarriage, new sections on the theology of sex and the parenting of teens, and updated bibliographies. This book will prove to be a valuable resource for personal and group study, Christian counseling and marriage and family courses.
