Feng Shui Beginners Attract Happiness:

Feng Shui Medeline Wells, 2015-11-29 Feng Shui A Beginner's Guide To Feng Shui Basics How To Use Feng Shui To Attract Success Money And Happiness In Your Life As you look around at society today you see a lot of people living their lives They may be happy and they may enjoy what they do or they may be sad and hate everything about their lives When you think about your own life what is it that you think of Are there things you wish were different Are there areas you wish you could improve What do you think about as you fall asleep at night There may be a different answer on a day to day basis but when it comes to the bottom line you want to be happy and successful That is only natural as that is all anyone wants in life but now you can be without a doubt Feng Shui is an ancient Chinese art that has been practiced for thousands of years It has been proven to make those who live it out benefit in their lives in many ways You are going to find that you can be successful and happy where you are right now and you don't have to make all kinds of major changes Can you imagine living the way you do now and seeing such a grand improvement you won't believe that it all came from a small change Well now that can be true for you This book is going to teach you everything you need to know to get started in the art of Feng Shui and you are going to see the benefits start pouring in Let us show you where feng shui came from How it will help you in your life How you can use it today Where to get started And more SIMPLE AND ESSENTIAL FENGSHUI FOR BEGINNERS Jin Chan Shi (金珊), Tan Kah Loo, Chan Hua Sin, Fengshui and similar arts have been practiced in the Far East for more than few thousand years Fengshui is a very logical and scientific body of ideas and theories This body of knowledge was recorded by the ancient sages through keen observations of people environment and the stars They documented compared notes and birthed this art Once you understand its fundamental principles you will be able to produce harmony in almost any situation or environment and that is the most important level for any Fengshui practitioner to achieve Feng Shui for Beginners Richard Webster, 1997 Describes the principles of the Chinese art of designing buildings and the places within them in harmony with the forces of the earth and demonstrates ways to arrange the home and office for good fortune **The Happy Home** Patricia Lohan, 2018-11-30 There's no place like home Why not turn yours into the happiest it can be Feng shui expert Patricia Lohan reveals a simple but groundbreaking truth a happy life starts with a happy home The Happy Home offers an introduction into the four thousand year old practice of feng shui an ancient Chinese art form that celebrities and Fortune 500 companies use to supercharge their environments and create balanced harmonious spaces You can look at your home in a brand new light it can serve not only as the place you live but as the foundation for your health wealth and happiness Inside you'll find the steps you need to take to balance your house's energy find greater flow and design a living space that can help you realize your dreams This beginner's guide provides the tangible and easy to implement strategies to use as you start your Feng Shui journey to improve the energy of your home and reveals its true potential to benefit all aspects of your life

Feng Shui Joline McMathews, 2016-09-14 NEW Second Edition Published September 14 2016 Feng Shui is quickly gaining

more and more attention as a method for achieving success at work at home and in every other aspect of people's lives. It has been proven to work effectively by people around the world. Numerous testimonies attest to the fact that their lives in general have improved and they're reaping success in areas where they had failed dismally in the past. In addition, Feng Shui has also brought peace and good health to those who practice it. When you follow the instructions properly and believe in the power of Feng Shui, then there's no reason for it not to work for you as it has for so many others. Feng Shui will help you balance your existence and fill those empty spaces with positive energy that can work harmoniously towards your success. Continue reading this book and learn about enhancing the Feng Shui energy using the Bagua map. Learn how to compute your Feng Shui lucky number and determine your most auspicious areas utilizing the Lo Shu square and other Feng Shui tools. Join the increasing number of people who have experienced the immense power of Feng Shui in their lives. Acquire the important knowledge of how Feng Shui can harness the fields of energy at your home and at your workplace to transform your life forever. Let's get started.

Feng Shui for Wellness and Wealth James Adler, 2014-07-24

Feng Shui Made Easy Create Your Own Success There is a prevalent belief that Feng Shui is something that only rich people can practice, another belief that is promoted by many other experts. In fact, anybody can practice Feng Shui if they understand its basic principles. You don't need to buy any expensive cures or other special equipment to practice Feng Shui in your home. Here is a preview of what you'll learn from Feng Shui for Wellness and Wealth: The Simple Rules of Feng Shui that can be applied inexpensively and even if you live in a small apartment; Feng Shui Tricks for your office; stay focused and attract abundance; How to attract health and vital energy for you and your loved ones; How to use Feng Shui to bring overall Wellness; The most common mistakes that we make with Feng Shui; How to rearrange your bedroom to attract love and sexual vitality; How to create positive energy around you and let it work for you. Much, much more. Ever since I discovered Feng Shui, I have managed to actually use it to improve my life in many ways. For example, since I used the principles of Feng Shui to rearrange the environment of my home and office, I have felt lighter and more positive. This has allowed me to become more productive and earn more. And of course, I have more fun since my living environment has become more positive. It is well known and accepted in the East that the way a particular environment is set up can affect the way that people within it feel and even act. In the West, however, this belief is often dismissed as superstition. After all, how can interior decoration have an effect on people? But this belief has become increasingly validated by research. For example, it has become widely accepted that the primary color scheme of a room has an effect on the mood of people inside it. My dear Friend and Reader, I hope that my book will inspire you in certain ways and that Feng Shui will help you achieve the balance you need.
