**Burroughs Unbound** S. E. Gontarski, 2021-11-18 In addition to contributing significantly to the growing field of Burroughs scholarship, *Burroughs Unbound* also directly engages with the growing fields of textual studies, archival research, and genetic criticism, asking crucial questions thereby about the nature of archives and their relationship to a writer's work. These questions about the archive concern not only the literary medium. In the 1960s and 1970s, Burroughs collaborated with filmmakers, sound technicians, and musicians who helped re-contextualize his writings in other media. *Burroughs Unbound* examines these collaborations and explores how such multiple authorship complicates the authority of the archive as a final or complete repository of an author's work. It takes Burroughs seriously as a radical theorist and practitioner who critiqued drug laws, sexual practice, censorship, and what we today call a society of control. More broadly, his work continues to challenge our common assumptions about language, authorship, textual stability, and the archive in its broadest definition.

Burroughs, James Grauerholz, Ira Silverberg, 1998 A collection of the American literary innovator's essential writings **Everything Lost** William S. Burroughs, Geoffrey Dayton Smith, John M. Bennett, 2008 In late summer 1953, as he returned to Mexico City after a seven-month expedition through the jungles of Ecuador, Colombia, and Peru, William Burroughs began a notebook of final reflections on his four years in Latin America. His first novel, *Junkie*, had just been published, and he would soon be back in

New York to meet Allen Ginsberg and together complete the manuscripts of what became *The Yage Letters* and *Queer*. Yet this notebook, the sole survivor from that period, reveals Burroughs not as a writer on the verge of success but as a man staring down personal catastrophe and visions of looming cultural disaster. Losses that will not let go of him haunt Burroughs throughout the notebook. Bits of it keep floating back to me like memories of a daytime nightmare. However, out of these dark reflections we see emerge vivid fragments of Burroughs' fiction and even more tellingly, unique primary evidence for the remarkable ways in which his early manuscripts evolved. Assembled in facsimile and transcribed by Geoffrey D. Smith, John M. Bennett, and Burroughs scholar Oliver Harris, the notebook forces us to change the way we see both Burroughs and his writing at a turning point in his literary biography.
