Fervent Fire Understanding Intercessory Intercessor:

Fervent Fire L. Williamson-Reeves, 2015-12-05 Do you understand the connection between the Old and New Testament priesthoods and your prayer life How should we approach prayer about events such as the removal of the 10 commandments from the Oklahoma State Capitol Are you a prayer warrior who wants your intercessory prayer to yield results like never before A scriptural understanding of the pattern of the priesthood is necessary to maximize your prayer effectiveness and change your family community and nation in the process Fervent Fire reveals this pattern which so many New Testament believers fail to examine and swings open a door of insight to the present day workings of priests sacrifices altars thrones and angels In this book you ll discover the exciting journey of the early priesthood its connection to David s household drama and how a shrewd scheming politician manipulated the pattern of the priesthood to secure his throne All the while you ll be building up to a wonderful and new revelation of exactly why Jesus calls us a royal priesthood Fervent Fire the first of the 5 book Priest and Warrior Intercessor Series is essential for all intercessors fundamental to every believer and of utmost necessity to those who have purposed for their Christianity to add value to the royal priesthood and holy nation **Hell**

Shaking Intercessors Oluwaseun Thomas, A Call to the Frontlines of Spiritual Warfare This Is Not for the Faint Hearted It Is Time to Become Fire There is a war raging in the unseen realm and silence is no longer an option Too many believers have become casualties in battles they were never trained to fight And the result is delayed breakthroughs hijacked destinies spiritual stagnation and a constant cycle of almost there but never there But God is raising a new breed of warriors Men and women who do not beg for change but command it Intercessors who shake the gates of hell and dismantle demonic operations through focused prophetic and violent prayers If you are tired of living beneath your divine potential if your altar is cold and your voice has been silent this book is your clarion call You were not saved to sit you were saved to war You were not redeemed to be passive you were redeemed to be dangerous Inside this book you will find more than prayers You will discover divine fire You will learn how to turn your life into an altar and your voice into a weapon You will gain the revelation that breaks demonic transactions exposes hidden serpents and brings every delay to an end Hell Shaking Intercessors is not for those who want a comfortable Christianity It is for those who want to be set ablaze Every chapter is soaked in prophetic insight dangerous declarations and warfare prayers that carry the force of heaven For the next 30 to 90 days you are invited into a journey of divine combustion As you pray through these pages chains will break altars will fall serpents will surface and your destiny will catch fire It is time to rise from spiritual slumber and become the weapon God designed you to be Your enemies will regret the day you found this book Every stubborn pursuer monitoring spirit and wicked altar standing against you will fall under the weight of your intercession Let this be your cry Lord make me a burning one Make me too hot for the enemy to handle Make my prayers shake the earth and terrorize hell Scroll up and grab your copy now As you read and pray may every dead thing in your life come back to life This is your season of fire your season of power your season to dominate

The Lost Art of Intercession Jim W. Goll,1997 Finally there is something that really explains what is happening to so many folk in the Body of Christ What does it mean to carry the burden of the Lord Where is it in Scripture and in history Why do I feel as though God is groaning within me No you are not crazy God is restoring genuine intercessory prayer in the hearts of those who are open to respond to His burden and His passion *PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES* Akinbowale Isaac Adewumi,2019-05-27 THOSE who pray know that prayer gets answered by God In the ecological culture of prayer and its sublime gestational realm spiritual phenomena metamorphose into tangible physical realities as a well sculpted script in its gamut of performance delivery Divinity rules in the affairs of men on this side of the divide depending on how well guided prayer pundits are This book *PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES* sets out to sensitize and equip readers by giving a sense of proper direction through a biblical predisposition to the fact that an unanswered prayer is never God s desire Prayers channeled through the holy vessels of God are honored by God Hence Psalms 66 18 says If I regard iniquity in my heart the Lord will not hear me There are several kinds of prayer but a prayer of intercession involves standing in the gap as a bridge for others welfare to turn things around and sustain positive changes It redirects the vicissitudes of life and makes living much better for both the prospects or targets of prayer and its subjects who can spare time to be with God without selfishness and bitterness Intercessory prayer moves mountains removes barriers breaks yokes or chains lifts burdens rolls away sorrows gives victory in every battle of life provides calmness in crisis and eases perplexing situations confronting believers and the world itself in its socio economic and political landscapes In the same breath through prayers of supplication we receive assurance protection authority and dominion It reveals our dependence on God takes us to the realm of the supernatural and moves God to act on our behalves In these last days believers have to be guided to repair the altar of prayer and get acquainted with God more than ever before according to Job 22 21 30 Many saints of old left us their footprints in the ministry of intercession and supplication among whom are Abraham Moses Elijah and a host of others They were all successful in their time If only we too would consecrate and commit ourselves to the ministry of intercession and supplication we will succeed and make enviable marks in our churches homes environment and nations More importantly we must believe in the power of intercession in order to activate it operate in it practice it and seek God on behalf of others Premised on the foregoing our prayers must be fervent effectual and importunate if we would to get things done and have results We ourselves must be sold out to Jesus and develop a loving beauty of spirit for other people as we engage in prayer without ceasing With our spirit given up to God in intercession there is hope for our Churches nations and ministries Ultimately our rewards shall be great from the Good Lord Who does not owe anyone

On the Atonement and Intercession of Jesus Christ William Symington,1839

Intercession That Breaks The Sound Barrier Birdella A. Tucker, 2010-04-27 Our sins have made a barrier between God and us Isaiah 59 2 Sins leave us without the knowledge of what true peace is and what it means to act justly before God Because of this we stay in darkness even though Jesus is the Light In the darkness we grope like blind men and stumble in broad daylight We moan and groan for the blessings of God but our sins testify against us Sin is disobedience to God Even though Jesus died for these sins if we remain in them then we reject the Light Our rejection of the Light is what causes the barriers between us and God This book *Intercession That Breaks the Sound Barrier* gives several instances of what Jesus says invites the darkness and the redemptive voice that breaks them Sounding the sounds of intercession is like putting on the robe of vengeance as armor It is putting on the work of Jesus Himself to glorify God our Father It is reverence for God in the name of God it is Jehovah's breath And when he had said this he breathed on them and saith unto them Receive ye the Holy Ghost Whosoever sins ye remit they are remitted unto them and whosoever sins ye retain they are retained John 20 22 23 It would be a mistake to speak of any earthly author for this book It was written only as the breath of Jehovah breathed and not of man's ability To Him be all the glory and praise Amen **The Ministry of Intercession** Andrew Murray, 1898
