Leadership Course: Practical Strategies To Develop Leadership Skills And Become A Great Leader That People Will Follow Tom Norman, 2015-02-03 Leadership Course Practical Strategies To Develop Leadership Skills And Become A Great Leader That People Will Follow Read on your PC Mac smart phone tablet This book contains proven steps and strategies on how to develop useful leadership skills and how to become a leader that people will follow Leaders are not born Leaders are built Becoming is not as easy as ABC or 123 nor does the transformation happen overnight Becoming a good leader entails dedication passion and will And the first step in this thousand mile journey is to know the twists and turns of being a leader In this book you will not only learn a handful of things you need to know about leadership but also see and understand everything it takes to be a true leader Welcome aboard The Leadership Course Here Is A Preview Of What You ll Learn Leadership Defined Kinds of Leadership What Leadership Is Not World s Best Leaders Formula to Becoming a Good Leader Leadership in Books and Films Much much more Leadership Defined Leadership is a term so broad and an idea so vast that many people have various perceptions on what leadership means In a rather simple context leadership is a trait or quality attributed to a leader and a leader is seen as someone whom a group of people follows or somebody who guides and directs his subordinates A leader is someone who can do so much as to influence other people and enlist their aid and support Since the term and the idea itself slightly varies a handful of those whom we consider as leaders have given their insights regarding leadership It is a must to realize what leadership is for these people who have become leaders themselves Lao Tzu had something to say about leadership This much revered ancient Chinese philosopher and founder of Taoism is a leader himself His influences not only on his homeland but also on the entirety of the world have been so vast and powerful that his teachings continue to live on until today Lao Tzu said A leader is best when people barely know he exists when his work is done his aim fulfilled they will all say we did it ourselves Lao Tzu s thought on leadership is a rather deep one extending beyond the physical For Lao Tzu a leader does his job best when he can make his men accomplish their mission without him actually taking part in the physical endeavors A leader is someone who brings out his men s best potential not someone who does most of the work One of the greatest military leaders in the world s history the French

general and emperor Napoleon Bonaparte appears to share almost the same thoughts of leadership with Lao Tzu. When I give a minister an order I leave it to him to find the means to carry it out. For him leadership is not about directing people all the way through getting a job done. Being a leader involves choosing the right men to do the right job and letting them do it their way.
