The Cultural Downgrade and the Path to Renewal Virgil A. Walker, 2026-03-10 We are living in the ruins of a once rich Western culture In 2026 four out of ten American fourth graders cannot read at a basic level Children spend seven hours a day staring at screens while the great stories that shaped civilizations Homer Beowulf Arthur Scripture and Tolkien gather dust Corporate algorithms and AI generated content have replaced folk tales and high art with an endless stream of sensation profit and distraction The result A society that is literate in memes but illiterate in meaning entertained but no longer capable of wonder virtue or sustained thought This is not an accident It is the deliberate outcome of centuries long philosophical shifts from realism to nominalism the rise of materialism the collapse of classical education and the capture of culture by corporate and governmental interests Yet there is hope Drawing on the surging classical Christian education movement now over 1 2 million students and growing fast Virgil A Walker issues a bold diagnosis and a concrete plan of renewal With passion and clarity he shows how reclaiming the old paths the Trivium the Great Books folk memory

and the moral imagination can restore truth goodness and beauty to families churches and an entire civilization Part cultural autopsy part battle cry part practical handbook *The Cultural Downgrade and the Path to Renewal* is for every parent pastor and patriot who refuses to watch the garden of the West turn into a digital wasteland If you loved *The Abolition of Man* C S Lewis *The Benedict Option* Rod Dreher or *Live Not by Lies* Rod Dreher this book is the next essential read [Children, Adolescents, and Media](#) Dafna Lemish,Amy Jordan,Vicky Rideout,2018-10-11 Bringing together the leading researchers on children adolescents and the media this books offers their cutting edge big picture ideas for the future of research and scholarship in the field Individual chapters focus on topics such as the role of big data in media research digital literacy parenting in the era of mobile media media diversity in the digital age the impact of media on child development children s digital rights the implications of intelligent characters and parasocial relationships and the effectiveness of transmedia for informal education Several chapters also explore the theoretical and methodological challenges facing children s media researchers Offering new directions for research the contributors consider the implications of the changing media landscape for parents educators advocates and producers Leading scholars from North America Europe and Asia grounded in different theoretical and methodological traditions join forces to discuss the impact of growing up in a media saturated world and to stimulate thinking about the field of children and media in unexpected ways This book was originally published as two special issues of the *Journal of Children and Media* [Demystifying the Dark Side of AI in Business](#) Dadwal, Sumesh,Goyal, Shikha,Kumar, Pawan,Verma, Rajesh,2024-03-11 *Demystifying the Dark Side of AI in Business* delves into the often overlooked negative aspects of Artificial Intelligence AI and its implications for organizations In an era where AI is rapidly transforming industries and work environments it is crucial to understand the potential risks and challenges associated with its implementation Drawing from a wide range of global perspectives this book brings together articles from leading researchers academicians and professionals across disciplines to shed light on the dark side of AI Through academic rigor and meticulous analysis the book addresses key topics such as unethical AI implementation safety risks negative social impacts unintended consequences and legal concerns surrounding AI adoption This book covers crucial topics such as governance ethical concerns safety risks social impacts and future perspectives By illuminating the negative implications of AI this book paves the way for responsible and informed AI adoption ensuring a balance between the potential benefits and the inherent risks associated with this transformative technology Targeting researchers academicians professionals and students with a wide range of interests this book offers a rich understanding of the theoretical and practical implications of AI It serves as a valuable resource for management disciplines like human resource management marketing financial management and operations management enabling readers to grasp the nuances of ai in different organizational contexts **Australian Education Index** ,1988 [Media Literacy in Action](#) Renee Hobbs,2024-10-14 There s never been a more important time for students to develop media literacy competencies When students ask critical questions about the media

they consume they develop fundamental knowledge and critical thinking skills that prepare them for life work and meaningful citizenship Media Literacy in Action addresses learners who are simultaneously active as both creators and consumers of media messages At the same time the book recognizes that everyone is vulnerable to media influence because of our dependence on the instant gratification and feelings of connectedness that digital platforms provide To thrive in a media saturated society people need to ask critical questions about what we watch see listen to read and use This book gives students those tools Key features of the second edition Critical examination of AI technologies algorithmic personalization data privacy and surveillance and the increased global regulation of digital platforms Attention to media literacy for empowerment and protection Inquiry oriented approach to learning that cultivates intellectual curiosity and creative expression Full color presentation with figures and photos to increase student engagement Each chapter includes Media Literacy Trailblazers Profiles of key thinkers and their theories connect students with the discipline of media literacy Media Literacy DISCourse NEW Visual representations of media literacy theoretical principles help learners internalize the practice of asking critical questions as they respond to specific media examples Learning in Action NEW Summary and vocabulary sections combine with Analyze Create Reflect and Act activities to empower students to apply ideas from each chapter Supplemental Materials available at www.mlaction.com Students can review key ideas learn about more Media Literacy Trailblazers and watch videos aligned with each chapter Instructors can access a Teacher's Guide of best practices in class activities homework and projects Also available are chapter summaries lecture slides YouTube playlists and test materials
