Thielen,2013-02-13 Pastor and author Martin Thielen has compiled a list of ten things people need to believe and ten things
they don t in order to be a Christian This lively and engaging book will be a help to seekers as well as a comfort to believers
who may find themselves questioning some of the assumptions they grew up with With an accessible storytelling style that s
grounded in solid biblical scholarship Thielen shows how Christians don t need to believe that sinners will be left behind to
burn in hell or that it s heresy to believe in evolution And while we must always take the Bible seriously we don t always have
to take it literally At the same time Christians do need to believe in Jesus his life his teachings his death and resurrection and
his vision for the world A great benefit of those beliefs is that they provide promising answers to life s most profound
questions including Where is God What matters most What brings fulfillment What about suffering Is there hope Thielen
articulates centrist mainline Christianity in a way that s fresh and easy to understand and offers authentic Christian insights
that speak to our deepest needs This new edition includes a leader s guide previously only available online and a new
introduction from the author that reflects on the book s reception The leader s guide features unique and easily implemented
aids for carrying out a seven week congregation wide initiative that will help local churches reach out to their communities
