Evolution And Theology The Problem Of Mans Origin:

Evolution and Theology. The Problem of Man's Origin, Etc Ernest Charles MESSENGER, 1931 **Reconciling Science and Religion** Peter J. Bowler, 2014-04 Although much has been written about the vigorous debates over science and religion in the Victorian era little attention has been paid to their continuing importance in early twentieth century Britain Reconciling Science and Religion provides a comprehensive survey of the interplay between British science and religion from the late nineteenth century to World War II Peter J Bowler argues that unlike the United States where a strong fundamentalist opposition to evolutionism developed in the 1920s most famously expressed in the Scopes monkey trial of 1925 in Britain there was a concerted effort to reconcile science and religion Intellectually conservative scientists championed the reconciliation and were supported by liberal theologians in the Free Churches and the Church of England especially the Anglican Modernists Popular writers such as Julian Huxley and George Bernard Shaw sought to create a non Christian religion similar in some respects to the Modernist position Younger scientists and secularists including Rationalists such as H G Wells and the Marxists tended to oppose these efforts as did conservative Christians who saw the liberal position as a betrayal of the true spirit of their religion With the increased social tensions of the 1930s as the churches moved toward a neo orthodoxy unfriendly to natural theology and biologists adopted the Modern Synthesis of genetics and evolutionary theory the proposed reconciliation fell apart Because the tensions between science and religion and efforts at reconciling the two are still very much with us today Bowler s book will be important for everyone interested in these issues The De-Judaization of the Image of Jesus of Nazareth (The Virgin Mary) at the Time of the Holocaust: Ensoulment and the Human Ovum Thomas Alexander Blüger, 2021-03-09 Thomas has been researching his family s Jewish background for the last thirty years Herein he investigates how his Jewish grandparents and aunt defined as a nonprivileged Mischling survived the war while living in the heart of Nazi Germany This led Thomas to research Hitler s fear of having partial Jewish ancestry and expanded into a full blown study of following Christianity s understanding of the Jewish identity of Jesus of Nazareth throughout history Not leaving matters here Thomas outlines how Marian dogmatic theology used at the time of the Shoah brought to conclusion the Church s long journey in defining the time of ensoulment as articulated in the papal document *Ineffabilis Deus* promulgated by Pius in 1854 This happened twenty seven years after the discovery of the human ovum in 1827 by Karl Ernst von Baer Years later with the emergence of Nazi racial ideology many anti Christian Christians attempted to invert Christianity s core message of salvation through faith toward biological ends This would not do Roman authorities had consistently held throughout the centuries that faith is about salvation and not about biology According to that same end the ideal of ensoulment since the time of the Church s renewed understanding of it beginning in 1854 and indeed as it was first articulated through the writings of Aristotle and received into Christianity through the writings of Saint Augustine and later Thomas Aquinas was newly preserved within the confines of Western civilization This is the first book the author knows

of that follows Augustine's concept of ensoulment as well as Aquinas's thinking on the matter while linking these to Karl Ernst von Baer's discovery of the human ovum in 1827 up until the events of Shoah and beyond This study is phenomenological in nature in that it does not follow Jesus of Nazareth the Virgin Mary throughout history but rather follows the image of Jesus of Nazareth the Virgin Mary a monumental difference This study supports the Second Vatican Council the Church's latest and ongoing efforts in affirming the Jewish identities of both Jesus of Nazareth and the Virgin Mary John Paul II's call for a purification of memory beginning in a year of Jubilee as well as the many present efforts in Catholic Jewish relations This study builds upon the author's past article Following the Virgin Mary through Auschwitz Marian Dogmatic Theology at the Time of the Shoah published in Holocaust Studies A Journal of Culture and History Vol 14 winter 2008 No 3 pp 1-24
