Flowers In The Dustbin Culture Anarchy And Postwar England:

Flowers in the Dustbin Neil Nehring,1993 Explores the connection between high literary culture and popular culture and argues for cultural anarchism as a form of creative resistance **British Culture of the Post-War** Alastair Davies,Alan Sinfield,2013-04-15 From Angus Wilson to Pat Barker and Salman Rushdie British Culture of the Post War is an ideal starting point for those studying cultural developments in Britain of recent years Chapters on individual people and art forms give a clear and concise overview of the progression of different genres They also discuss the wider issues of Britain s relationship with America and Europe and the idea of Britishness Each section is introduced with a short discussion of the major historical events of the period Read as a whole British Culture of the Postwar will give students a comprehensive introduction to this turbulent and exciting period and a greater understanding of the cultural production arising from it *Youth Culture and the Post-War British Novel* Stephen Ross,2018-12-13 From the Teddy Boys of the post war decade to the heroin chic of Cool Britannia the many subcultures of Britain s teenagers have often been at the forefront of social change Youth Culture and the Post War British Novel is the first book to chart that history through the work of some of the most influential contemporary British writers In this vivid work of cultural history Stephen Ross explores The manic teenage vision of Absolute Beginners The Angry Young Men of Saturday Night and Sunday Morning Skinheads and Burgess s A Clockwork Orange Irony and authenticity in the 1980s from Amis to Kureishi Heroin chic disaffection and Trainspotting Examining the cultural contexts of some of the most important and popular post 1945 British novels the book covers such themes as crises of masculinity multiculturalism and inter generational conflict and in doing so casts new light on British writing today

Histories of a Radical Book Antoinette Burton,Stephanie Fortado,2020-11-01 For better or worse E P Thompson s monumental book The Making of the English Working Class has played an essential role in shaping the intellectual lives of generations of readers since its original publication in 1963 This collected volume explores the complex impact of Thompson s book both as an intellectual project and material object relating it to the social and cultural history of the book form itself an enduring artifact of English history **Flowers in the Dustbin** Neil Nehring,1993 Explores the connection between high literary culture and popular culture and argues for cultural anarchism as a form of creative resistance **The Permissive Society and Its Enemies** Marcus Collins,2007 Deconstructing the myth of Britain s swinging sixties this collection of essays examines the revolution of cultural permissiveness in postwar Britain and how societal debates over drug use pornography and women s rights of this period have influenced current thinking Britain s period of nebulous social change is analyzed by defining permissiveness locating the movement s origins identifying its proponents and opponents and assessing long term consequences Discussions of ludic liberalism lesbian politics beatnik ideology and the rise of the moral crusader highlight the developing subcultures of Britain s society **Encyclopedia of Political Anarchy** Kathlyn Gay,Martin K. Gay,1999-04-12 Examines the ancient roots of the movement key individuals and important organizations events laws court cases and

theories *Anarchy and Art* Allan Antliff, 2007 One of the powers of art is its ability to convey the human aspects of political events ranging from war to revolution to sexual liberation Art can also transform society a theme that pervades this fascinating survey on art artists and anarchism since the nineteenth century In numerous essays Allan Antliff interrogates moments of engagement when artists poets philosophers and critics have confronted pivotal events over the past 140 years The survey begins with artist Gustave Courbet and writer Emile Zola s activism during the 1871 Paris Commune which established the modern day French republic and ends with an examination of anarchist art during the fall of the Soviet empire Other subjects include the Neo Impressionists and their depictions of the homeless in the 1890s the Dada movement in New York City during World War I the decline of the Russian Avant Garde during the 1920s and 30s the West Coast Beats of the 1940s and 50s the Modernists of the 1960s 70s and 80s and anarchistic responses to the fall of the Berlin Wall in 1989 by visual artists Exploring art s potential as a vehicle for meaningful social change from an anarchist perspective Allan Antliff throws new light on what it means to be radical **British Short-fiction Writers, 1915-1945** John Headley Rogers, 1996 Essays on authors of the short story that had its origins in the mid nineteenth century and reached its maturity in England in the twentieth century The modern British short story grew slowly following by nearly fifty years the origins of this form in the United States France and Russia Discusses why several features of nineteenth century English life may have delayed the development of this literary form *Law and the Senses* Lionel Bently, Leo Flynn, 1996 The concept of the five senses underpins all modern academic disciplines Recent work has pushed forward the debate about their significance and the extent to which our techniques of perception are not merely biological but constructed and contestable This book reflects the ways in which ordering of the senses informs law Starting from the modern legal system s treatment of prohibitions liabilities properties and methods of proof and punishment the contributors look at how understandings of the senses vary across a variety of legal areas from intellectual property law to criminal law It covers a range of issues including New Age travellers consent in female circumcision and sadomasochism **Prisons, Race, and Masculinity in Twentieth-century U.S. Literature and Film** Peter Caster, 2008 In *Prisons Race and Masculinity* Peter Caster demonstrates the centrality of imprisonment in American culture illustrating how incarceration an institution inseparable from race has shaped and continues to shape U S history and literature in the starkest expression of what W E B DuBois famously termed the problem of the color line A prison official in 1888 declared that it was the freeing of slaves that actually created prisons we had to establish means for their control Hence came the penitentiary Such rampant racism co ntributed to the criminalization of black masculinity in the cultural imagination shaping not only the identity of prisoners collectively and individually but also America s national character Caster analyzes the representations of imprisonment in books films and performances alternating between history and fiction to describe how racism influenced imprisonment during the decline of lynching in the 1930s the political radicalism in the late 1960s and the unprecedented prison expansion through the 1980s and 1990s

Offering new interpretations of familiar works by William Faulkner Eldridge Cleaver and Norman Mailer Caster also engages recent films such as American History X The Hurricane and The Farm Life Inside Angola Prison alongside prison history chronicled in the transcripts of the American Correctional Association This book offers a compelling account of how imprisonment has functioned as racial containment a matter critical to U S history and literary study *Technomad* Graham St. John,2009 A cultural history of global electronic dance music countercultures Technomad explores the pleasurable and activist trajectories of post rave culture The book documents an emerging network of techno tribes exploring their pleasure principles and cultural politics Attending to sound system culture electro humanitarianism secret sonic societies teknivals and other gatherings intentional parties revitalisation movements and counter colonial interventions Technomad investigates how the dance party has been harnessed for transgressive and progressive ends for manifold freedoms Seeking freedom from moral prohibitions and standards pleasure in rebellion refuge from sexual and gender prejudice exile from oppression rupturing aesthetic boundaries re enchanting the world reclaiming space fighting for the right to party and responding to a host of critical concerns electronic dance music cultures are multivalent sites of resistance Drawing on extensive ethnographic netographic and documentary research Technomad details the post rave trajectory through various local sites and global scenes with each chapter attending to unique developments in the techno counterculture e g Spiral Tribe teknivals psytrance Burning Man Reclaim the Streets Earthdream The book offers an original nuanced theory of resistance to assist understanding of these developments This cultural history of hitherto uncharted territory will be of interest to students of cultural performance music media and new social movement studies along with enthusiasts of dance culture and popular politics **Humor in Twentieth-Century British Literature** Don Lee Fred Nilsen,Ralph Ellison,2000-03-30 Analyzes humor in literary works by British authors of the 20th century and provides extensive bibliographical information
