McLaughlin,2016-07-13 The arrival of the WWII B 17 bomber at the National Museum of the Mighty Eighth Air Force in January of 2009 initiated a great adventure for a group of warbird lovers from the nearby communities as they united to restore that B 17 The dream of the volunteers was to honor the WWII veterans of the Eighth Air Force some of whom were literally their fathers by restoring the B 17 to its original pristine condition The group was challenged by the fact that the airplane had been in storage for more than two decades following a long working life and was far from the gleaming symbol of power that it had been in 1945 This book is the story of the six year effort by a team of volunteers to overcome the challenges they faced and to fulfill their dream to create a lasting symbol to honor their fathers and grandfathers and all of the veterans who served in the Mighty Eighth during WWII *B-17, Flying Fortress of World War II*.
