Flyfishing Northern New England's Seasons Flyfishers Guide To:

Flyfisher's Guide to New England Zambello, Lou, 2016-04-15 This completely new flyfishing guide to New England is the best flyfishing guide ever on this fishery rich and historic area. Author and flyfishing guide Lou Zambello provides all the information to improve your catch rate in Maine, New Hampshire, Vermont, and Massachusetts. Full color maps accompany the fisheries, complete with GPS coordinates, access points, public land, access roads, boat ramps, including small hand launches, parking areas, named holes, and pools, and more. Many flyfishers flock to the same well known waters that are written about again and again and face crowded conditions. Yet there are hundreds of productive waters that are ignored. Zambello, who has spent over 30 years fishing in New England, teamed with former Maine State Fisheries Director John Boland and other experts to cover many of these great uncrowded waters in the *Flyfisher's Guide to New England*. Lou spent the last several years crisscrossing New England researching this book, a review of many hundreds of both popular and unknown moving and stillwaters in Maine, New Hampshire, Vermont, and Massachusetts. Following Wilderness Adventures Press tradition of creating the best flyfishing guide books, the new full color *Flyfisher's Guide to New England* will help you get your own piece of fishing heaven. Also check out Zambello's first book *Flyfishing Northern New England's Seasons*. **Flyfishing Northern New England's Seasons** Lou Zambello, 2013-11-21 Much has been written about the most famous American flyfisheries, but relatively little has been logged regarding the glorious brook trout and landlocked salmon water of northern New England. Thanks to long time fishing guide Lou Zambello, we'll soon be enlightened. Covering Maine, New Hampshire, Vermont, and western Massachusetts, Zambello relates years of flyfishing and guiding experience through observations, instructions, and anecdotes. From ice out through summer, fall, and back to winter, all conditions and strategies are covered. You'll learn the best time to dead drift a streamer versus twitching dry flies and much more. He relates stories from such famous waters as the Kennebec, Penobscot, Grand Lake Stream, Rapid Presumpscot, Androscoggin, and Deerfield Rivers, and Rangeley, Moosehead, and Sebago Lakes, and many more throughout the region. Even if you're an experienced northern New England angler, you'll find many useful morsels of information throughout this guide. And certainly if you're a rookie, you'll want this book.
