Focus Love Focus Love:

What Is the Focus of Love? Focus James, 2019-02-26 What Is the Focus of Love You can be happy or you can be right but you can't be both Many partners focus on making their lover wrong in a relationship and nobody wants to be around that person all the time Remember You convince a man against his will he's of the same mind still Inside of having a deep intimacy you get to be happy which is way more fulfilling than being right That's where I come in As a result of what I do people like YOU create a life you love have delicious relationships savory intimacy admiration for your significant other in partnership instead of competition and in that you fulfill one another rather than strategizing to convert one another REMEMBER What you Focus on EXXPANDS Let's Focus on the Love we really want I Am!!! Nicky J. Wrzek, 2016-12-09 In this book you will look into my world with all the trials and tribulations and poetry I have put down on the page with pen and paper I truly hope to entertain you and help you along the way The entertainment is my art This is my first book so I have a wide range of topics including my struggles with abuse and overcoming my own mind In sharing my perspective on reality I am sure something will resonate within you even if it is one of my advertisements and I promise I am not selling anything else yet I also know that someone can read this book and walk away more aware I hope to motivate you in fact I manifest I will because just like the magnets you will either continue to follow my work or get to work on your own path Perhaps even both So enjoy and thank you Peace
