

USING THE MINI BOOK

The mini book template is super easy to use! The cutting or pasting needed to create this template is minimal. Just lengthen (or shorten) the dimensions and then again in the other direction. (Note: Your students have to use a 4 page book mostly to be filled with great evidence of learning.)

The mini book can be used as a book report to show sequential steps in a process, to highlight a vocabulary word found on third page 2 - definition, page 3 the acronym, page 4 use the word in a sentence, to highlight a math word with an example, to summarize a book, and much more!
