The Elements of Architecture Scott Drake,2014-02-04 The Elements of Architecture is a clear and well structured introduction to sustainable architecture which concentrates on general principles to make an accessible and comprehensive primer for undergraduate students The author takes a fresh and logical approach focusing on the way aspects of the built environment are experienced by the occupants and how that experience is interpreted in architectural design He works through basic elements and senses sun heat light sound air water and fire to explain and frame effective environmental architectural design not only arguing that the buildings we inhabit should be viewed as extensions of our bodies that interact with and protect us from these elements but also using this analogy to explain complex ideas in an accessible manner

Chibi Character Styles Hazel Monroe,AI,2025-03-10 Chibi Character Styles explores the delightful art of chibi character design focusing on simplified proportions and exaggerated expressions This book explains how to capture a character s essence using just a few lines Interestingly chibi art while seemingly modern is rooted in historical art forms like caricature and early animation demonstrating its enduring appeal Learn how to effectively manipulate proportions creating endearing characters with large heads and small bodies and master the art of conveying emotions through subtle facial adjustments The book uniquely deconstructs the chibi style with a systematic approach offering a clear framework for understanding its principles It emphasizes expressive exaggeration to help the reader amplify the character s core personality For example slight changes to the eyes or mouth can dramatically alter a character s mood The book progresses from fundamental anatomy to facial expressions and practical exercises allowing readers to create personalized chibi characters Ultimately mastering chibi design enhances visual communication skills making it valuable for various applications like game design and animation The book emphasizes that effective chibi design is not merely about shrinking a character but rather a strategic simplification

and expressive amplification This approach sets it apart highlighting its potential as a powerful tool for character design

Wicked Deeds M.J. Scott,2025-04-15 An exciting dark and sexy futuristic urban fantasy series from RITA Award nominated author M J Scott My mother was a wicked witch She sold my magic to a demon I thought that that was the worst that my past had to offer Turns out I might be wrong about that I survived a journey into the Fae realm that could have ended in disaster But it was hardly a victory The dangerous witch we were pursuing went free and a piece of my past came back to haunt me And even though I m back in San Francisco there s no peace to be found Strange creatures are stalking the city A disgruntled Fae lord and his minions won t leave me alone And my worst enemy might have a connection to me that I don t want to face To add to my troubles the half Fae girl we rescued from the realm turns up on my doorstep seeking a fresh start Understandable but her presence might kick off a dangerous game of power that could end it all And when the darkness that

shaped my past threatens everything I've built I'll need to embrace dangerous allies and my own magic to survive Wicked Deeds is the sixth book in the TechWitch series exciting dark and sexy futuristic urban fantasy from RITA Award nominated author M J Scott This series has witches demons an ongoing relationship that will have an HEA sexy times and a lot of computer geeks Perfect if you like the idea of a strong heroine a hot protective billionaire and magic and technology colliding Enjoy Author's note For tropes and CW please check the author's website KEYWORDS Urban fantasy series futuristic urban fantasy books urban fantasy romance witches demons virtual reality books strong heroine romance billionaire hero romance action adventure urban fantasy ongoing relationship urban fantasy magic and technology fae gamers computer games near future urban fantasy romantic urban fantasy sixth book *Bitter Harvest Series, Books 1-3* Ann Gimpel, 2018-10-12 1200 pages of spellbinding dystopian urban fantasy In a world with few choices evil runs rampant and none of the old rules apply What began as an exploratory mission to see if anything is left on Earth turns sour fast A Vampire attack a possessed priest and a gateway to Hell mean fallout from the spell gone bad that pinned everyone in South America is far from finished Retreat is tempting but nowhere is safe Evil is leaching in from somewhere If they can't find the breach they're finished Deceived Vampires aren't supposed to feel anything beyond hunger and bloodlust but Viktor still feels a whole lot He hates what he's become but there's no escape Not from the dying city smothering him or from his maker an arrogant tyrant who demands absolute loyalty Twisted The sea is the only life Juan's ever known not counting the decade he spent as a Vampire Those years gave him a healthy aversion for anything supernatural but he's a shifter now It's way better than being one of the undead but he still doesn't trust magic Paired up with Aura to teach him he falls and falls hard but she spurns his advances Abandoned Recco misses his cozy lab and well organized veterinary clinic but ten years as a Vampire stripped him of any illusions Life is done handing him everything he wants He could rail against fate which never bought him much or suck it up and keep going Defeating the Cataclysm broke Vampirism's hold on him though Even better it threw Zoe square in his path and kicked open the door for him to bond with a wolf PRAISE FOR THE BITTER HARVEST SERIES I am a huge fan of this author's work having read quite a few of her different series of books and I was so surprised by how different this book is from her other series surprised and blown away by how amazing it was and how much I adored this book Goodreads Review What a cool new world and an awesome story A spell gone wrong and a cataclysm has hit trapping the people shifters and vampires in Ushuaia The vampires are at the top of the food chain and everything is dying Goodreads Review Just my kind of story The sea a ship someone named Viktor to make the story fantastic He just wants to get back to a life on the sea even though it's tough Obviously it's not going to be easy Not to be missed The audio book has a narrator that has you listening until the end Goodreads Review Entertaining and I loved the premise It's been awhile since I've read a vampire book and I really enjoyed Ann Gimpel's storytelling Goodreads Review Fans of the following books and series are known to enjoy this post apocalyptic urban fantasy series a kingdom of exiles a shade of vampire academy of magic dragon's gift accidentally in

Dakotah Slade Script Written Comic in production I Wrote a script for a story that takes place within the same world as Urban Fantasy following a love sick damaged alcoholic woman named Dakotah Slade who learns that magic is real when one of her best friend Spontaneously Combusts Teaming up with a jaded detective they have to find out the truth behind a tainted drug that is spreading amongst the sleepy Canadian community Can they stop it before everything is in place for the endgame
ADRIFT Script written comic in production A comic I ve written and is currently being produced Follows kids who wake up alone and scared on a derelict junk vessel not so slowly falling into a sun Can they get free and find the pirates who took their parents pirates who are using all the slave labour they can get to build the largest fleet to ever fly under a single flag My artist has been working at it for a while In a shared universe with my next novel after Urban Fantasy
ADRIFT HOMELESS In conception A sci fi novel about a doctor named David Stanfield living on a dying desert world with a dwindling populace He s recruited by a secret government program to build a large colony ship to take their people to find a new home in the stars Things won t be simple however with a growing resistance planetside fighting against what they feel is a waste of resources Just when The Rebirth is finally ready to set off things get worse as their captain is killed and Dr Stanfield is forced to take command of their crew against an alien with technology far more advanced than theirs One side has lasers and large energy shields that make them seemingly invincible Stanfield s crew has technology only pejoratively more advanced than our own They have infinite numbers Stanfield has one ship The Aldonn Chronicles In development My third novel series that I hope to start after finishing Urban Fantasy and Adrift Homeless With those three novel series I hope to jump back and forth between the settings one medieval on modern and one in the future I want to create a channel of book chapters or episode
