Star-Crossed Unity J P Ames,2023-06-16 The music swelled and the crowd parted as the royal announcement echoed throughout the hall The dance was about to begin With a heart full of resolve Seraphina descended the marble stairs Her emerald gaze scanned the sea of humans and landed on Leopold A strange sensation tugged at her a magnetic pull that drew her towards him Leopold felt the weight of the elven princess s gaze and turned The sight that met his eyes stole his breath away Against the stark backdrop of stone and steel she was a beacon of life her eyes holding an intensity that felt like a welcome rain in his parched existence A sense of inexplicable familiarity washed over him Their paths crossed in the middle of the dance floor their eyes locked in a silent exchange that held the world at bay It was in that fleeting moment under the celestial tapestry of stars and amidst the murmuring echoes of an ancient prophecy that their fates became inexorably intertwined Thus began the tale of Seraphina and Leopold two star crossed lovers in a fantastical world where every heart beat they shared was a defiant cry against the constraints of their realms a testament to the enduring power of love Little did they know their love story was destined to be more than a private romance it was a beacon of hope that could reshape the very world they lived in

A Game of Gods Scarlett St. Clair,2023-07-25 Are you well He asked Her chest rose as she took a breath studying him just as intently as he watched her She was beyond anything he had ever imagined for himself beautiful and gracious far too good for the things he had done in his many lifetimes and yet she remained a steady light at his side a beacon he could follow through the dark It was in these quiet moments when he felt most overwhelmed by his love for her You haven t slept Her voice was a whisper that slid over his skin It made him want which felt wrong No he said and rose to sit angling so that he could look upon her face Her face was flushed and her eyes were too bright an indication that she had drawn upon her magic as she had dreamed Hades brushed his thumb along her cheek and her eyes fluttered closed as if his touch brought her a sense of comfort The thought made his heart beat erratically
