Advanced Vampire Romance:

The Vampiric Housewife Kristen Marquette, 2009-10 In the sleepy town of Sangre Valley Buicks still have tailfins girls don poodle skirts and families gather around their black and white televisions to watch The Donna Reed Show But not all is as it seems in this 1950 s town The milkman leaves bottles of blood on the doorstep instead of milk and the grocery store sells human heads as produce instead of heads of lettuce The residents of Sangre Valley are vampires Valerie Murray is a vampiric housewife with three beautiful children a successful husband and a lovely home But after a dinner party for her husband s boss Dr Venjamin Valerie learns the doctor s dark secret and her world is turned upside down Now to save her children from Venjamin s depraved plans they must flee Sangre Valley and run for their lives But what the family faces outside their small town is nearly as terrifying as what awaits them within

The Writer's Campaign Richard Parry, 2025-07-11 Your story is a dungeon Let s go raid it Is there a story trapped inside you waiting to be rescued by your inner adventurer Most writing advice sucks It s either too vague to be useful or so rigid it strangles your creativity It treats writing like a chore when it should feel like the most addictive game you ve ever played It s time to flip the board over The Writer s Campaign is a gamified RPG inspired system designed to get you from a blank page to a finished first draft Using dice a notebook and the spirit of adventure you will Generate a unique world a compelling hero and a high stakes plot Navigate every key story beat from the Inciting Incident to the final epic Climax Slay writer s block by transforming it into a series of fun achievable quests Finish your damn book Whether you re a complete beginner stuck on page one or a veteran writer looking to debug a broken manuscript this is your system for turning ideas into words and worlds Stop waiting for the muse Pick up your dice and start your quest The adventure is ready Are you

An Insider's Guide to Publishing David Comfort, 2013-11-14 Perseverance is much more important than talent Because so many talented people fall by the wayside James Michener The history of writing is full of authors striving to succeed in a hyper competitive publishing world contending with agents editors publishers critics and sometimes the greatest challenge of all overnight success For all of the extraordinary changes that have recently taken place however there are a few things that remain the same Getting published still requires persistence preparation and smarts as well as an understanding of how the business works where it s been and where it s going An Insider s Guide to Publishing pulls back the industry curtain for millions of published and aspiring authors revealing Hemingway s famous feuds Poe s raving madness Capote s vengeful wit and much more With clever insights and dark humor to spare David Comfort a thirty year veteran of the publishing trenches explores the achievements and faults of literary masters and editorial workaholics to show readers how they too can Use their creativity and composure to overcome publishing pitfalls Work with agents editors publishers and critics like a pro Deal with rejection and success while avoiding the madhouse Navigate the pros and cons of both traditional and self publishing An Insider s Guide to Publishing shares the wicked wit and wisdom of some of the craziest and most ambitious authors and editors of all time

Paul,2017-08-15 Taking its cue from contemporary western debates on presence in the social sciences and the humanities this volume focuses on presence both as everyday experience and as an experience of intense moments It raises questions about diverse social configurations of presence as well as about the specific cultural repertoires which encode articulate and shape discourses of presence The contributions take as a premise that phenomena of presence are connected to particular forms of knowledge Especially tacit knowledge pre determines experiences of individual and collective presence and becomes tangible in moments of presence or presentification *To Love a Vampire* Jody Offen,2005-04 Kayla backed up for every step he advanced Her heart pounded painfully against her chest She swore she saw flames flickering behind the vibrant colors in his eyes She had never felt so afraid so alive When she realized she couldn t escape him she stood her ground lifting her head defiantly in challenge Tray didn t move standing over her like a warlord about to pass judgment He had read her thoughts as if she had shouted them at him He looked over the perfection of her body missing nothing not one line not one curve not one freckle He then stared into her eyes till she met and held his gaze He saw many emotions in their blue depths there it was fear Good she should be afraid of him **Wicked Soul: a Fated Mates Vampire Romance** Nora
