videos **Music in Esports** Eulalia Febrer-Coll,2025-07-21 This book invites the reader to expand their idea of esports as an independent niche and consider it an integral part of a growing multi and transmedia ecosystem that includes the global entertainment industry where music plays an essential role The music present in and around esports games is an integral part of how they are communicated and mediated and as such holds a central role in binding their narratives cohesively and coherently to appeal to their audiences Popular music theory is placed at the foundation of the issues raised in the chapters as it is taken as a cornerstone for linking the esports international scene with the music industry This text uses specific case studies from popular esports to support and illustrate each chapter including League of Legends Counter Strike and Fortnite This book will be of great interest to researchers and students in the fields of esports game design and development musicology and media studies Working Backwards Colin Bryar,Bill Carr,2021-02-09 Working Backwards is an insider s breakdown of Amazon s approach to culture leadership and best practices from two long time Amazon executives with lessons and techniques you can apply to your own company and career right now In Working Backwards two long serving Amazon executives reveal the principles and practices that have driven the success of one of the most extraordinary companies the world has ever known With twenty seven years of Amazon experience between them much of it during the period of unmatched innovation that created products and services including Kindle Amazon Prime Amazon Studios and Amazon Web Services Bryar and Carr offer unprecedented access to the Amazon way as it was developed and proven to be repeatable scalable and adaptable With keen analysis and practical steps for applying it at your own company no matter the size the authors illuminate how Amazon s fourteen leadership principles inform decision making at all levels of the company With a focus on customer obsession long term thinking eagerness to invent and operational excellence Amazon s ground level practices ensure these characteristics are translated into action and flow through all aspects of the business Working Backwards is both a practical guidebook and the story of how the company grew to become so successful It is filled with the authors in the room recollections of what Being Amazonian is like and how their time at the company affected their personal and professional lives They demonstrate that success on Amazon s scale is not achieved by the genius of any single leader but rather through commitment to and execution of a set of well defined rigorously executed principles and practices shared here for the very first time Whatever your talent career or organization might be find out how you can put Working Backwards to work for you **Disabled People Transforming Media Culture for a More Inclusive World** Beth A. Haller,2023-11-03 This book tells the stories of disabled people who have been influential in creating modern mass media Through the voices of key disabled media makers and collaborators the author highlights the ways in which their contributions are changing society s understanding of disability and shaping mass media and culture Spanning a range of media formats television streaming productions performances podcasts TED Talks films reality TV graphic novels and social media channels the book illustrates how disabled people are confronting the marginalization they have faced in mass media for decades Modern

disabled media creators are leveraging new media platforms to recognize the lived experiences of disability and their authentic place in media culture This innovative and thought provoking volume will be an important read for scholars disability advocates and students of Disability Studies Mass Communication Media Studies as well as mass media production faculty disabled people and their allies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

A Guide to Screenwriting Success Stephen V. Duncan, 2020-07-28 A Guide to Screenwriting Success Second Edition provides a comprehensive overview of writing and rewriting a screenplay or teleplay and writing for digital content Duncan's handy book teaches new screenwriters the process of creating a professional screenplay from beginning to end It shows that inspiration creativity and good writing are not elusive concepts but attainable goals that any motivated person can aspire to Duncan includes sections on all aspects of screenwriting from character development to story templates and breaks down the three acts of a screenplay into manageable pieces A Guide to Screenwriting Success contains dozens of exercises to help writers through these steps The second half of Duncan's practical book covers another often overlooked side of screenwriting the teleplay Aspiring writers who also want to try their hand at writing for television will need to learn the specifics of the field The book breaks down this area into two parts the one hour teleplay and the situation comedy There is a section on writing and producing digital content that embraces the Do It Yourself attitude to approaching a career in the entertainment industry Success in screenwriting is no longer a dream but an achievable goal for those who pick up Duncan's guide
