Charles, 2018-01-27 The 40 Days of Fasting and Prayer Guide Book offers guidance for individuals congregations and ministry groups as they engage in extended seasons of consecration to God What is fasting Why fast Why pray These questions are addressed in the book The author also includes a chapter on the benefits of fasting This is a time when we consecrate and dedicate ourselves to the purposes of God a transformational journey that will lead you on an inward expedition to greater health happiness freedom and success as we are told by Jesus in the book of Matthew 3 11 The application of these spiritual disciplines shall also bring greater effectiveness in ministry Matt 17 14 21 It is the will of God for every believer to live a life of victory with nothing being impossible A life of consistent fasting will cause many victories to manifest Guide to Effective Fasting and Praying Pius Joseph, 2019-05-11 Fasting and praying is one of the greatest ways to unleash the power of God in every situation of life The Bible says Jesus returned in the power of the spirit after fasting And if we can follow the same principles we will get the same result that Jesus got Several situations of life may stare at you on the face You may have prayed about them and nothing seemed to have changed At this point you need to add something to your prayers Prayer and fasting may be necessary to turn that battle into a testimony I know that there are several fasting and praying books out there to help the believer make judicious use of his moment of fasting and prayers But the question is not whether there are fasting and prayer guide or whether the believer actually fasted and prayed Are you fasting and praying the right way If you haven't 21 days or 30 days of praying and fasting will be unproductive It was this reason that compelled me to write this book in order to guide the believer to fast effectively No longer will it be that you fasted and the situation remained After fasting and praying a change must occur in your life Through this book you will learn How to fast and pray effectively How to make the period of your fasting productive What to do when you are praying and fasting What you are not supposed to do when you are praying and fasting Prayers you must pray before you start fasting and praying Prayers you should pray during your fasting Prayers you should pray after your fasting Get this book now fast pray and see results The Beginner's Guide to Fasting Elmer L.
