The Gangster's Guide to Sobriety Richie Stephens,John Altschuler,Dave Krinsky,2022-05-24 Richie Stephens is an actor who often plays hardened gangsters and criminals This is easy for him because he was a drug trafficker kidnapper drug addict alcoholic and all around criminal himself His life twisted and turned in harrowing self destructive adventures that took him from his native Ireland to San Francisco Australia and finally Los Angeles coalescing into a classic tale of a man trying to run from his problems by moving to new and more exotic locations a hard and painful realization that comes at a point in which he s about to take his own life The only reason there is a story to tell is because he did not Instead he found help and in doing so found himself More than that he found that help comes in different forms and oftentimes it just takes the right thought to hit at the right time for it all to make sense The Gangster s Guide to Sobriety chronicles Richie s descent into the abyss of crime and dependency and how his personal understanding of freedom allowed him to become the functioning positive force he is today Richie s story is sprawling and epic but the key to the book is the same key to his recovery the 12 Steps With his own flair and original understanding of life and the world he followed the 12 Steps to find the clarity he needed to save his own life and evolve into a positive force for others As Richie says Hopefully if people see that someone as fucked up as me could change their life then there is hope for anyone The Gangster s Guide to Sobriety is gripping in its honesty and openness Even at its darkest moments there is a keen understanding of the absurd nature of life as the author comes to grips with his failings and his faith while also entering a place of self acceptance This is a story of redemption and the power of the human spirit and how sometimes you have to turn to something greater than yourself
