**Global Jumpstart** Ruth Stanat,Chris West,1998-12-31 For businesses large and small a global marketplace represents a source of great promise and peril While trade barriers have come down and advances in communication and information technology have made new markets accessible as never before one false move can spell disaster especially for small and midsize companies Nevertheless with a combination of ambitious vision and careful planning even the smallest businesses can expand far beyond their home country s borders In Global Jumpstart Ruth Stanat and Chris West draw on their many years of experience helping companies of all sizes expand into new markets to offer entrepreneurs a complete step by step guide to launching a global strategy that will minimize risk make the best use of their skills and resources and capitalize on opportunities Applying rigorous field tested research and information gathering techniques and citing the most current resources Stanat and West present a comprehensive and immediately practical program for establishing a global mind set undertaking market research building competitive intelligence assessing customer needs and evaluating a wide variety of options for expansion from exporting to franchising to strategic alliances and joint ventures The book also features the global marketing audit a self assessment tool for determining your company s global readiness along many dimensions including product mix human resource capabilities and sales and distributions infrastructure All of the principles are illustrated through colorful case examples of companies as diverse as Powell Books of Portland Oregon Zion View Ostrich Ranch of St George Utah and Applied Sweepers Inc Falkirk Scotland In many respects the question is not whether to go global but when and how For small and midsize firms the process of going global need not be overwhelming as long as they are armed with commitment and information Global Jumpstart will be an essential resource for initiating and sustaining that rewarding process

**Global Jumpstart** Ruth Stanat,Chris West,2000-01-14 For businesses large and small a global marketplace represents a source of great promise and peril While trade barriers have come down and advances in communication and information technology have made new markets accessible as never before one false move can spell disaster especially for small and midsize companies Nevertheless with a combination of ambitious vision and careful planning even the smallest businesses can expand far beyond their home country s borders In Global Jumpstart Ruth Stanat and Chris West draw on their many years of experience helping companies of all sizes expand into new markets to offer entrepreneurs a complete step by step guide to launching a global strategy that will minimize risk make the best use of their skills and resources and capitalize on opportunities Applying rigorous field tested research and information gathering techniques and citing the most current resources Stanat and West present a comprehensive and immediately practical program for establishing a global mind set undertaking market research building competitive intelligence assessing customer needs and evaluating a wide variety of options for expansion from exporting to franchising to strategic alliances and joint ventures The book also features the global marketing audit a self assessment tool for determining your company s global readiness along many dimensions

including product mix human resource capabilities and sales and distributions infrastructure All of the principles are illustrated through colorful case examples of companies as diverse as Powell Books of Portland Oregon Zion View Ostrich Ranch of St George Utah and Applied Sweepers Inc Falkirk Scotland In many respects the question is not whether to go global but when and how For small and midsize firms the process of going global need not be overwhelming as long as they are armed with commitment and information Global Jumpstart will be an essential resource for initiating and sustaining that rewarding process

Global Projects W. Richard Scott, Raymond E. Levitt, Ryan J. Orr, 2011-06-23 As the world's population continues to grow there is an ever increasing need for huge investment in basic infrastructure water and sewage energy production and distribution transportation and telecommunication At the same time infrastructure systems in developed countries are deteriorating and in need of renewal Today many of the engineering and economic problems surrounding infrastructure construction projects have been solved but the threat of social misalignments and political conflicts renders the development and management of such projects more challenging than ever before This book presents a new theoretical framework that allows us to analyze the institutional and social movement processes both negative and positive that surround global infrastructure projects as they confront cross national and cross sectoral such as private public partnerships institutional differences The value of this framework is illustrated through a series of studies on a wide range of infrastructure projects including roads railroads ports airports water supply and energy pipelines

**Global Strategic Management** Gerardo R. Ungson, Yim-Yu Wong, 2014-12-18 International business is undergoing continuous transformation as multinational firms and comparative management evolve in the changing global economy To succeed in this challenging environment firms need a well developed capability for sound strategic decisions This comprehensive work provides an applied and integrated strategic framework for developing capabilities that lead to global success It is designed to help readers achieve three essential objectives First it provides intellectual and practical guidelines for readers to execute goals and strategies that lead to meaningful and productive results The book is packed with frameworks cases anchoring exercises techniques and tools to help readers emerge with a completed business plan after the last chapter Second it focuses on strategy and how firms build competitive presence and advantages in a global context A primary learning objective is to enable readers to understand and evaluate the major issues in strategy formulation and implementation in a global context Third it provides an accessible framework that will help guide readers in making strategic decisions that are sound and effective It offers a unifying process that delineates the necessary steps in analyzing the readiness of a firm to do business abroad In addition to core issues each chapter presents frameworks analytical tools action oriented items and a real world case all designed to provide insights on the challenges imposed by globalization and technology on managers operating in a global context
