*Fodor's See It Britain, 2nd Edition* Fodor's, Fodor's Travel Publications, Inc. Staff, 2006-11-07 Fodor's See It Britain is perfect for travelers who want to understand English history and culture before they arrive and experience the country like a native Brit while they're there. Overflowing with brilliant color photography, this is the only illustrated guide that provides the practical information that you need while traveling: complete restaurant and hotel reviews with exact prices for lodging and dining, not ranges plus time-saving tips and how to avoid crowds, exact admission prices to key sights, great photo stops, and special notes on kid-friendly attractions throughout. Hotels: Our detailed reviews represent the best accommodations in Britain in all price ranges. From five-star luxury hotels to low-budget pubs, if you can stand a little late-night noise, we'll tell you what to expect in terms of price and quality through extensive coverage of hotels and their surrounding neighborhoods. Exact prices of double occupancy rooms including breakfast plus pictures of hotel facilities and guestrooms. Restaurants: If you want to experience the best that Britain has to offer, pay particular attention to our outstanding restaurant coverage that will help you choose from the 5,000 local eateries that cater to every budget and dining experience. From affordable fish and chips at local pubs to places where you can splurge on a romantic candlelit dinner like Midsummer House Restaurant in Cambridge, you'll find it in *See It Britain*. Each review covers house signature dishes, ambiance, actual prices for a two-course lunch and a three-course dinner for two people, hours of operation, and what transportation will get you there. The Sights: Whether you want to relax at a spa in Bath, watch the sun set from a deserted Pembrokeshire beach, see a city from the top deck of a double-decker bus, or go clubbing at Fabric in London, *See It Britain* will take you there. Accessibly written to help you navigate throughout the country without missing a thing, each attraction includes exact admission prices, what galleries and museums not to miss, and where to stop for quick bites and refreshing drinks along the way. Sights are also rated for their value, walkability, historic and cultural interest, plus we suggest fantastic photo stops and entertaining and age-appropriate kid-friendly attractions throughout the book. What to Do: Our shopping walks will lead you to cutting-edge fashions to fit all budgets, from hip streetwear to expensive fashions for your feet. But Britain has much more to offer than just sight-seeing and shopping. Fodor's *See It Britain* provides insider information on classical theatrical and cinematic performances, Britain's music scene, live jazz, to underground youth centres, nightlife, spectator and activity sports, and festivals and events. Atlas and Maps: Detailed neighborhood maps are incorporated throughout the book to help you navigate on historic walks, shopping tours, or to find a restaurant. Plus a 16-page atlas details each road and path with highlights of important landmarks, parks, metro stations, and car parking areas. Fodor's *See It*™ A brand new series that shows you before you go, guides you while you're there, and makes the perfect keepsake on your return. **Fodor's See It Paris, 2nd Edition** Fodor's Travel Publications, Inc.
