Folk Like Me The Read Aloud Of Saints:

Folk Like Me K.M. Lucchese, 2008-08-01 The lives of the saints are either too grisly for little kids or too saccharine for older ones But this collection appeals to both groups with a combination of gentle humor and frankness battle tested at the author's weekly chapel services at the school where she teaches It's organized into two full school years with each saint's story falling on or near his or her special day so that each story can be a springboard to a creative seasonal teaching unit or small festival Saints represent a wide variety of ethnic and geographic backgrounds *Scandalous Truths* Susan Howatch, Bruce Johnson, Charles Adolph Huttar, 2005 Susan Howatch's global bestsellers have appeared regularly since the 1970s but a radical shift in her subject matter in the 1980s and especially the 1990s made reviewers and then academics adjust their glasses and stare hard at her pages Howatch began to take her loyal following of gothic and family saga readers into unexpected psychological and theological depths while taking to an extreme with a serious novel format the experiments begun in her family sagas She also introduced to her readers a character only half alive in Trollope the Anglican Church

Reflective Reading and the Power of Narrative Karyn Sproles, 2018-07-11 *Reflective Reading and the Power of Narrative* Producing the Reader is an interdisciplinary exploration into the profound power of narratives to create and recreate how we imagine ourselves It posits that the process of producing a text also produces the reader Written from the perspective of a psychoanalytic feminist Sproles considers a wide array of examples from literature popular culture and her own experiences to illustrate what she calls reflective reading a metacognitive reading practice that recognizes the workings of the unconscious to push the reader toward a potentially transformational engagement with narrative This may manifest as epiphany recovery from loss or resolution of repressed trauma Each chapter draws on examples of characters and authors who model a reflective reading process from Jane Austen and Virginia Woolf to Johnny Cash and Alison Bechdel By reclaiming the role of the unconscious Karyn Sproles reinvigorates the theoretical work begun by reader response criticism and develops a deep understanding of identification and transference as an integral part of the reading process For students and researchers of cultural studies psychoanalysis gender studies and feminist literature and theory *Reflective Reading and the Power of Narrative* offers innovative and accessible ideas on the relationship between reader and text The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license The Episcopal Church Annual, 2009 Oldtown Folks I.
