Follow Me To Freedom Leading And Following As An Ordinary Radical:

Follow Me to Freedom Shane Claiborne, 2010-10 Followers of Christ yearn to see the world changed in compassionate positive effective ways As prophetic voices Shane Claiborne and John Perkins lead the way in this move to be the hands feet and heart of Jesus One is young the other is decades older One is a self proclaimed reformed redneck who grew up in the hills of Tennessee and now lives in inner city Philadelphia the other is an African American civil rights leader who was almost beaten to death by police in Mississippi and went on to found a reconciliation movement and counsel three American presidents Claiborne and Perkins draw on more than a century of combined following and learning activating and leading Together they craft a timely message for ordinary people willing to take radical steps to see real change happen They start with Moses as a model and proceed to re imagine the roles of leading and following in a world desperate for freedom

Mobilizing for the Common Good Peter Slade, Charles Marsh, Peter Heltzel, 2013-07-27 Born into a sharecropping family in New Hebron Mississippi in 1930 and only receiving a third grade education John M Perkins has been a pioneering prophetic African American voice for reconciliation and social justice to America s white evangelical churches Often an unwelcome voice and always a passionate provocative clarion Perkins persisted for forty years in bringing about the formation of the Christian Community Development Association a large network of evangelical churches and community organizations working in America s poorest communities and inspired the emerging generation of young evangelicals concerned with releasing the Church from its cultural captivity and oppressive materialism John M Perkins has received surprisingly little attention from historians of modern American religious history and theologians *Mobilizing for the Common Good* is an exploration of the theological significance of John M Perkins With contributions from theologians historians and activists this book contends that Perkins ushered in a paradigm shift in twentieth century evangelical theology that continues to influence Christian community development projects and social justice activists today

Dear White Christians Jennifer Harvey, 2020-07-14 If reconciliation is the takeaway point for the civil rights story we usually tell then the takeaway point for the more complex more truthful civil rights story contained in *Dear White Christians* is reparations from the preface to the second edition With the troubling and painful events of the last several years from the killing of numerous unarmed Black men and women at the hands of police to the rallying of white supremacists in Charlottesville it is clearer than ever that the reconciliation paradigm long favored by white Christians has failed to heal the deep racial wounds in the church and American society In this provocative book originally published in 2014 Jennifer Harvey argues for a radical shift away from the well meaning but feeble longing for reconciliation toward a robustly biblical call for reparations Now in its second edition with a new preface addressing the explosive changes in American culture and politics since 2014 as well as an appendix that explores what a reparations paradigm can actually look like *Dear White Christians* calls justice committed Christians to do the gospel inspired work of opposing racist social structures around them Harvey s message is historically and scripturally

Perkins, Wayne Gordon, 2012-10-08 The next generation hungers for strong visionary ethical and passionate leaders Where do we start in this day where we lack leadership at all levels The authors of this breakout book contend that leaders of tomorrow are among us but they need to be identified trained and empowered John M Perkins casts the biblical vision that has started a movement Wayne Gordon has rolled up his sleeves at the grassroots level to spark the transformation of a Chicago neighborhood Together and with friends they founded the Christian Community Development Association Now they put in this book the stories and lessons of discovery growth mistakes success and lives changed They are ready to hand batons of leadership especially for poor and under resourced communities over to the next generation With this book they do just that *The Index ...* Francis Ellington Abbot, William James Potter, Benjamin Franklin Underwood, 1870 **The New Statesman** , 1928
