

A nighttime photograph of the Eiffel Tower in Paris, France, illuminated with golden lights. The tower stands on the left side of the frame. In the foreground, a large, multi-decked white river cruise ship is docked along the banks of a river, likely the Seine. The ship's windows are lit up, and its reflection is visible in the water. The background shows the Parisian skyline with other buildings and trees, all under a dark blue night sky. The overall scene is a romantic and scenic representation of a river cruise experience in Paris.
