Focused Portfolios™ A Complete Assessment For The Young Child:

Focused Portfolios(™) Gaye Gronlund, Bev Engel, 2016-09-24 Offers an innovative method to accurately document children's growth and development by observing them in the midst of their everyday activities. Used for years in programs across the country, this easy-to-use system helps teachers assess children's progress in four areas: Favorites, Friends, Family, and Developmental Milestones. Eight chapters include a complete introduction to the Focused Portfolios method, many step-by-step examples, and all the necessary forms for portfolio collection. *Individualized Child-Focused Curriculum* Gaye Gronlund, 2016-05-09 Learn to integrate individualized curriculum into daily practice with this step-by-step guide. Using Developmental Studies, a new tool created and successfully field-tested by the author, implement a truly child-focused and individualizing curriculum, meeting each child where she or he is and ultimately making teaching easier and more rewarding. These user-friendly materials will help teachers reconnect and reengage with each student outside of all the standards that are required. Gaye Gronlund devotes her time to helping teachers, administrators, and policy makers implement best approaches to teaching and assessing young children. Clients have included the NAEYC, NIEER, the State of New Mexico Office of Child Development and Pre-K Program, the Illinois State Board of Education, and more. [Make Early Learning Standards Come Alive](#) Gaye Gronlund, 2014-09-22 Every state has developed some form of early learning standards. Find out how you can apply and use them in ways that are most beneficial to children. Updated to reflect the continuing evolution of early learning standards, this book offers help and hints, support and clarification, and clear explanations of how you can make early learning standards come alive in your early childhood classroom or program. You'll find tools to communicate exactly how you are addressing children's learning as you plan for cognitive and foundational skill development, as well as suggestions to assess children's progress. Easy-to-read charts present information about each major content area or area of development and descriptions of what those standards might look like in classrooms. The charts also suggest activities and interactions to support a child as he or she makes the first attempts toward the standard, progresses toward it, and finally accomplishes the standard. New to this edition: A chapter focusing on Approaches to Learning standards. The most recent information on early learning standards from across the country. References to the Common Core State Standards and their relationship to early learning standards. Gaye Gronlund has consulted for national organizations, state agencies, school districts, and early childhood programs for more than twenty years. She helped two states write their early learning standards. Gronlund is well known for her many books and keynote presentations. [Practical Solutions to Practically Every Problem](#) Steffen Saifer, 2016-11-14 An encyclopedic how-to guide for the universal early childhood program. *Practical Solutions to Practically Every Problem* attempts to provide solutions to every possible problem faced by early childhood teachers before they encounter them.
