

Step 1:

- **Read the instructions** and the topic carefully – compare/contrast, agree/disagree, describe

There are 5 main kinds of GED Essay prompts:

If the instructions say	You should write
explain why; state the reasons	3 reasons
explain the effects; discuss the advantages and disadvantages	3 advantages/disadvantages/effects
describe	3 qualities
state your position; present your view	3 reasons supporting your opinion
discuss similarities and differences; compare	3 ways things are alike or different (mix is ok)
tell what happened	First, second, third - chronological

These aren't the only ways to split things up. Use your judgment - these are just guidelines or defaults if you don't come up with something else. Make sure that whatever you do, you are providing what the instructions tell you to provide!
