you have a book to sell you simply must own *Sell Your Book on Amazon* Why is increasing a book's exposure important? Because readers have to learn about your book before they can buy it. Authors who know how to use Amazon's own system and algorithms to their advantage sell more books simply because more people learn about their books and therefore buy them. Once a book finds success on Amazon it appears higher in the search results leading to MORE exposure and more sales and so on. It's the Amazon virtuous circle and the key to unlocking that brass ring is in your hands. Introducing the exclusive NEW TACTIC RANKING SYSTEM. Marketing tactics are only as valuable as the profits they generate. *Sell Your Book on Amazon* ranks every technique so you can quickly and efficiently locate the marketing secrets that will lead to superior results. Highly recommended. Receive the greatest exposure compared to time spent. Very recommended. An acceptable investment is required for a profitable return. Somewhat recommended. Check your profit margin. The expenditure may exceed the benefit. Do you know how to beat Amazon at their own game? Do you know how Amazon Marketplace listings can offer 55 used copies of your book when you haven't even sold that many? This book tells you how to do it all plus so much more. It's a tremendous value with a wealth of information at your fingertips.

Ecuador's Amazon Region Peter Krahenbuhl, 2009-09-10

Welcome to the wildest place on earth Ecuador s upper Amazon Basin referred to locally as the Oriente awaits you Spanning most of the SucumbA os Province this region is unquestionably one of the most biologically diverse regions on the planet Here you can experience incredible wildlife viewing and bird watching nature photography jungle hikes dugout canoe excursions and a unique mix of native people adapted to life in the heart of the tropics From bird size butterflies to butterfly size birds from piranhas to vampire bats from poison arrow frogs to monster anacondas and from spider monkeys to howler monkeys the sky is the limit for the spirited soul The area surrounding Tena and MisahuallA is the most visited rainforest destination in the country One of the more developed regions of the upper Amazon it is also the most accessible Jungle excursions abound and there are still small patches of primary forest mostly in the form of private reserves Outstanding rafting kayaking swimming tubing and hiking opportunities are available as well as birding botany medicinal study cultural and general nature travel Farther down the RA o Napo the land becomes more pristine In the south especially along the eastern slopes of the Andes and around Macas the rugged topography and lack of access have preserved some of the best wildlife viewing opportunities and intact indigenous cultures in Ecuador In this region virgin rainforest and the communities of the unique Achuar and Shuar Nations await the true adventure seeker As the Andes descend dramatically eastward into

the Napo region the true tropical lowland rainforest begins with the headwaters of the RA o Napo The Central Oriente offers ecological life zones similar to those in the northern region see The Upper Amazon Basin with many species that live here and nowhere else on earth This is due primarily to the mixture of different microclimates created by drastic elevation changes between the Andes and the Amazon resulting in small pockets of life that evolved separately from their close neighbors Thus biologically the Oriente a with up to 5% of the earth s plant species a is arguably the richest place on the planet This guide gives you all the details on where to stay where to eat what to do how to get around the entertainment and arts the history and culture Complete with maps and photos throughout
