Step By Step Black Friday Sale:

Academic Languageing Gisela Ernst-Slavit, Margo Gottlieb, 2025-06-20 Rethink how academic languageing can transform content area teaching For years the teaching of content based academic language to multilingual learners has focused on formulas vocabulary lists and sentence patterns often sidelining students linguistic and cultural strengths Gisela Ernst Slavit and Margo Gottlieb address these challenges by embracing academic languageing an active collaborative student driven process Academic Languageing offers strategies to integrate language and content learning while fostering student engagement voice and agency Dedicated chapters on academic languageing for Language Arts Mathematics Social Studies and Science highlight the dimensions of disciplinary language for each subject and provide strategies for moving learning forward with multilingual learners Additional features include Stop and Think prompts to help educators connect new ideas with their instructional settings Prompts at the end of each chapter to encourage deeper thinking and application of the material Multilingual examples to mirror the varied classroom settings in the U S and beyond The ultimate resource for educators committed to empowering multilingual learners and fostering meaningful culturally sustaining education Academic Languageing ensures multilingual learners comprehend academic content and thrive as confident autonomous drivers of their own learning

The Common Core in Action Deborah J. Jesseman, 2015-06-19 This book addresses Common Core State Standard curriculum resources to assist the school librarian in collaborating with classroom teachers Librarians are being asked to understand the Common Core State Standards CCSS and their implications to programming and instruction as well as to collection development planning Using lesson plans originally published in School Library Monthly this title builds upon them adding many additional plans that address CCSS issues The plans will help you implement the standards and can also be used as stepping stones to facilitate planning conversations and collaboration with teachers to co teach lessons correlated with the standards The book begins with an overview of the CCSS what they are how are they different from the content standards and what the implications are for schools where the state has adopted them including what the CCSS mean for collection development It then goes on to explore the opportunities the CCSS present for the school librarian looking at how you can become a leader in employing the process The majority of the book is devoted to reproducible lesson plans organized by curricular area or topic and grade level for ease of use
