Zirin,2019-09-24 A comprehensive analysis of Donald Trump s legal history reveals his temperament methods character and morality Unlike all previous presidents who held distinguished positions in government or the military prior to entering office Donald Trump s political worldview was molded in the courtroom He sees law not as a system of rules to be obeyed and ethical ideals to be respected but as a weapon to be used against his adversaries or a hurdle to be sidestepped when it gets in his way He has weaponized the justice system throughout his career and he has continued to use these backhanded tactics as Plaintiff in Chief In this book distinguished New York attorney James D Zirin presents Trump s lengthy litigation history as an indication of his character and morality and his findings are chilling if you partner with Donald Trump you will probably wind up litigating with him If you enroll in his university or buy one of his apartments chances are you will want your money back If you are a woman and you get too close to him you may need to watch your back If you try to sue him he s likely to defame you If you make a deal with him you had better get it in writing If you are a lawyer an architect or even his dentist you d better get paid up front If you venture an opinion that publicly criticizes him you may be sued for libel A window into the president s dark legal history Plaintiff in Chief is as informative as it is disturbing
